

**FAMILIES BUILDING BETTER READERS  
PRESENTS  
HIGH SCHOOL QUIZ SHOW  
READING WORKSHOP**

Jointly sponsored by Just Read, Florida! and the Panhandle Area Educational Consortium, this one-hour workshop for high school students and their parents is offered **FREE** to schools and families. Participants will learn information about:

High-Tech Reading  
Making Reading Fit!  
High School Read-a-Thon  
Reading for the Fun of It!  
Why Reading Comprehension is so Important!

This innovative family literacy workshop is delivered with high energy and humor. While parents learn valuable information, students check their knowledge about reading facts and high school success in a fun-filled format.

The “game show quiz” format keeps everyone choosing answers and cheering for their favorite team. Selected game show teams are given multiple choice questions related to reading and its impact on the world around us. The team members must collaborate, build consensus, and provide answers to questions. Correct answers are awarded points until all the questions are answered and the winning team is recognized.

Following the workshop, participants leave with a Families Building Better Readers Family Resource Guide and 15 Reading Challenges to help keep families engaged in building better readers.
