

FAMILIES BUILDING BETTER READERS PRESENTS *MYSTERIES IN THE MIDDLE* READING WORKSHOP

Jointly sponsored by Just Read, Florida! and the Panhandle Area Educational Consortium, this workshop is offered **FREE** to schools and families. This fun-filled reading workshop for middle school students, and their parents and teachers, brings schools and families together for a meaningful learning experience as they take part in the mock filming of a movie called, "Mysteries in the Middle." Families learn "invisible" mental strategies that will help encourage middle school readers.

Offer a parent workshop at your school and solve the Mystery of the Missing Mascot!

Hometown Middle School's mascot is missing! Motivated middle school students are needed to help us put together the clues and solve the "Mystery of the Missing Mascot." Parents and students are invited to participate in this fun, two-hour interactive reading workshop.

As the plot of a movie production unfolds, you put together the clues. And the moment you think you've got it all figured out, think again!

Is it the cheerleader? The librarian? The custodian? The art teacher?

****Mysteries in the Middle is also an excellent springtime program for elementary school fifth graders preparing for middle school transition ****
