

Merry Christmas and Happy New Year!

Can you believe the first half of the 2011-12 school year is over already? It seems like yesterday we were planning for this school year and now we are planning for the 2012-13 year. Welcome to the first edition of this year's SEDNET Scoop. Hopefully you will find the information valuable and worth sharing with others. We hope you have wonderful Christmas break,
Kala, Cindi, and Rusty

Areas of Focus/Initiatives

SEDNET provides technical assistance and training to support building capacity of local school districts in their efforts to ensure that the needs of youth with at-risk of Emotional/Behavioral Disabilities are being met educationally and therapeutically.

SEDNET 2A facilitates Children At Risk Multidisciplinary Assistance Team (CARMA Team, formally FSPT) in each district as needed. SEDNET participates in the local review meetings for all of the 2A coverage area, DJJ councils, and other related organizations. Staff Development, Behavior Observations and technical assistance are also provided and available upon request.

Please contact us for any assistance or training events we may provide for your district.
