

Principal's Implementation Checklist

Examining Student Work: A Protocol for Improving Reading Instruction (K-6)

Course Objectives:

Participants will gain awareness level knowledge about:

1. Understanding the intent of content standards
2. Identifying the rigor needed for mastery of standards
3. Learning how to “unpack” standards
4. Examining student work
5. Implications for instruction.

During a classroom “walkthrough” observation, the school principal can use the following checklist to note activities and strategies taught in the course and implemented in the classroom.
