

Course Follow-up Activities

No Child Left Behind Basics

Activity 1: Using the NCLB Teachers Toolkit (Handout 1), summarize the important points to answer the following:

A. What is the NCLB?

B. What does the “Highly Qualified” portion of NCLB mean?

C. Reflection:

Describe the activities in your school or district that are being implemented to ensure implementation of NCLB?

Activity 2: Using the NCLB Parents Guide, summarize the important points to answer the following:

A. Describe three significant features of NCLB which are specifically directed towards parents and children.

B. Select three questions from the Frequently Asked Questions of the NCLB Parents Guide and discover how your school and district are providing assistance in those areas.

Activity 3: NCLB Planning

In collaboration with your school or district, develop a plan for communicating the significant features of NCLB with your school or immediate work environment. Outline your plan here.
