AlphaSmart® 2000 Keyboard

AlphaSmart® 2000 is a keyboard that lets students enter and edit text, then transfer it easily to a Macintosh or PC for formatting and printing. This is an ideal keyboard for students who have writing problems. It is also a low-cost way for teachers who never have enough classroom computers to give students more keyboard time. See system requirements below.

A 2 lb. keyboard that saves up to 64 pages of text. Extremely easy to use, and now comes with spell checking & direct printing!

Features:

- Plug & Play: One-key data transfer to/from Mac/Apple II GS or PC.
- 300 hours on 3 AA alkaline batteries.
- Ergonomically designed, full size, 80-key keyboard.
- Easy to read 4-line by 40 character LCD display.
- 64 pages of text storage (128 kbytes), 8 separate files for storage.
- No special software required to transfer text.
- For special needs: sticky keys, key repeat control, and four keyboard layouts.
- Foreign language support.
- AutoSave, find, and password protection.
- Weighs 2.0 lbs. Ht. 1.9" x Wth. 12.4" x Dpt. 9.3"

NEW Features:

- Spell checking with a 70,000 word dictionary.
- Keyboarding timer for keyboarding assessment.

- Direct printing to printers (**optional cable required**) including : Apple ImageWriters and StyleWriters, Hewlett-Packard DeskJets and DeskWriters, and parallel printers.
- AutoPower Off.
- An improved viewing angle.
