

## Algebra Web Sites

Site	Web Address	Description
Algebra.help	<a href="http://www.algebrahelp.com">http://www.algebrahelp.com</a>	Features lessons to learn or refresh algebra skills, calculators that show how to solve problems step-by-step, interactive worksheets.
Algebrator	<a href="http://www.softmath.com">http://www.softmath.com</a>	Online demo of algebra learning tool which allows students to enter equations and see a step-by-step solution. Can be used by teachers to generate Algebra assignments and tests
Algebra Problem Solvers	<a href="http://www.cyberedinc.com">http://www.cyberedinc.com</a>	Site for Algebra Word Problem Solver, a new tool for students to enter word problems and see a step-by-step solution
Algebra Solutions (Go Math)	<a href="http://www.gomath.com/algebra.html">http://www.gomath.com/algebra.html</a>	Students submit a problem and see a step-by-step solution, or review a topic with a mini-lesson that has graphics and examples
Algebra Tiles	<a href="http://www.teachervision.com/lesson-plans/lesson-6192.html">http://www.teachervision.com/lesson-plans/lesson-6192.html</a>	Free downloadable page of printable ready-to-use algebra tiles from Teacher Vision, part of the Learning Network
Algebra Times	<a href="http://www.algebrawizard.com/news.html">http://www.algebrawizard.com/news.html</a>	Sign up for a free subscription to online magazine, Algebra Times. Also source of "Algebra Survival Guide" a fun, conversational handbook for students (and teachers!)
Boxer Math	<a href="http://www.boxermath.com/">http://www.boxermath.com/</a>	Sign up for a free trial online subscription for one of the Algebra Courses, included in Secondary Math
Edmark	<a href="http://www.edmark.com/free/">http://www.edmark.com/free/</a>	Download a free algebra calculator which shows its work as it solves a problem, also other onscreen calculators for math
Explore Math	<a href="http://www.exploremath.com/">http://www.exploremath.com/</a>	Interactive Activities create real-time correlations between equations and graphs that help students visualize and experiment with many of the major Algebraic concepts
Hands-On Equations	<a href="http://www.borenson.com">http://www.borenson.com</a>	Visual and kinesthetic system for teaching Algebraic concepts to students in grades 3-8
Illuminations (NCTM)	<a href="http://illuminations.nctm.org/imath">http://illuminations.nctm.org/imath</a>	Online interactive, multimedia math investigations from the National Council of Teachers of Mathematics
LD Online	<a href="http://www.ldonline.org/ld_indepth/math_skills/math-skills.html">http://www.ldonline.org/ld_indepth/math_skills/math-skills.html</a>	Excellent articles related to teaching math to students with disabilities
Math Lessons That are Fun!	<a href="http://math.rice.edu/~lanius/Lessons/">http://math.rice.edu/~lanius/Lessons/</a>	Highly motivating K-12 activities and lessons by Cynthia Laniaus . Includes graphs, functions, problem solving
MathXpert	<a href="http://www.mathXpert.com">http://www.mathXpert.com</a>	Free online tutoring help or download a full working evaluation copy of Algebra Assistant
Math Forum, The	<a href="http://mathforum.org/">http://mathforum.org/</a> (formerly at <a href="http://forum.Swarthmore.edu">forum.Swarthmore.edu</a> )	Plethora of math resources including Ask Dr. Math, Problem of the Week, Key Issues in Math Education(
Teaching Math to the Visually Impaired	<a href="http://www.tsbvi.edu/math/">http://www.tsbvi.edu/math/</a>	Adaptive tools and technology for low vision and braille students in Algebra and Geometry (and more) from the Texas School for the Blind and Visually Impaired
Ventura Educational Systems	<a href="http://www.venturaes.com/coolstuff/index.html">http://www.venturaes.com/coolstuff/index.html</a>	Free math clip art for teachers and more from the "hands-on" math and science software company
Zona Land	<a href="http://zonalandeducation.com/mmts/mmts.html">zonalandeducation.com/mmts/mmts.html</a>	Virtual manipulatives for exploring link between polynomial equations and graphs and
