A central graphic of a compass rose with a yellow face and a red border. The letters 'Adis' are written in a stylized white font with blue outlines across the center. The letters 'A' and 'd' are on a blue background, while 'i' and 's' are on a green background. Four green compass points (North, South, East, West) extend from the center. Each point has a white circle with a black letter: 'N' at the top, 'S' at the bottom, 'E' on the right, and 'W' on the left. Surrounding the compass rose are several horizontal lines for writing notes: two lines above the 'N' point, two lines to the left of the 'W' point, two lines to the right of the 'E' point, two lines below the 'S' point, and two lines below the entire graphic.
