

FDLRS ASSOCIATE CENTER TECHNOLOGY CONTACT LIST

The Florida Diagnostic and Learning Resources System (FDLRS) provides statewide diagnostic and instructional support services to district exceptional student education programs. Consistent with the *Florida Statutes*, functions of the Associate Centers include enhancement of learner outcomes, partnership, assistive, instructional, and administrative technology, interagency services, and implementation of state educational goals and priorities. Services are available to district, agency, community and other personnel working with exceptional students. For further information, please contact the appropriate Center as listed below, or the Bureau of Exceptional Education and Student Services, Exceptional Student Education Program Development and Services, Florida Department of Education, 614 Turlington Building, Tallahassee, Florida 32399-0400 (Telephone 850/245-0475; Suncom 205-0475; Fax: 850/245-0955).

FDLRS SPECIALIZED CENTER TECHNOLOGY CONTACT LIST

The Florida Diagnostic and Learning Resources System (FDLRS) provides diagnostic and instructional support services to district exceptional student education programs statewide. Functions of the Specialized Centers include specialized instructional materials for students with visual and hearing disabilities, teacher preparation in the effective integration of technology into instructional programs, and information, awareness, and training for individuals needing assistive technology support and interventions. Services are available to district, agency, community and other personnel working with exceptional students as well as parents and families. For further information, please contact the appropriate Center as listed below, or the Bureau of Exceptional Education and Student Services, Exceptional Student Education Program Development and Services, K-12 Education, Florida Department of Education, 614 Turlington Building, Tallahassee, Florida 32399-0400 (Telephone: 850/245-0475; Suncom: 205-0475; FAX: 850/245-0955).
