Multiple Intelligence Web Links

1. [Multiple Intelligences](#) - Thomas Armstrong
(http://www.thomasarmstrong.com/multiple_intelligences.htm)
2. [Becoming a Multiple Intelligences School](#) - Thomas R. Hoerr
(<http://www.ascd.org/readingroom/books/hoerr00.html>). Hoerr describes his beliefs about MI practices and schools. Also includes the first two chapters of his book.
3. [How The New City School Applies the Multiple Intelligences](#) - Thomas R. Hoerr. In *Educational Leadership* Volume 52 Number 3 November 1994(<http://www.ascd.org/readingroom/edlead/9411/hoerr.html>). "What began as a discussion of the nature of intelligence has resulted in a revised curriculum, varied instructional techniques, alternative assessment, and new ways of communicating with parents."
4. [The New City School Multiple Intelligences site](#) (<http://www.newcityschool.org/mi.html>)
5. [Teaching for Multiple Intelligences](#) - Kathy Checkley.
(<http://www.ascd.org/readingroom/edlead/9709/checkley.html>) .In *Educational Leadership*, Volume 55 Number 1 September 1997.
(<http://www.ascd.org/readingroom/edlead/9709/checkley.html>). The First Seven . . . and the Eighth A Conversation with Howard Gardner.
6. [Resources on Multiple Intelligences](#) - ASCD
(<http://www.ascd.org/educationnews/eric/mires.html>). Provides a listing of ASCD articles, books, audio, & video resources on Multiple Intelligences.
7. [Selected ERIC Abstracts on Multiple Intelligences](#) - ASCD.(<http://www.ascd.org/educationnews/Eric/miabs.html>). Provides abstracts on a variety of ERIC resources on Multiple Intelligences.
8. [Multiple Intelligences In The Classroom](#) by Thomas Armstrong
(<http://www.ascd.org/readingroom/books/armstrong94.html>). Overview of Gardner's theory; examples of how it can be applied to curriculum development, teaching strategies, classroom management, assessment, special education, and other areas.
9. [Untracking for Equity Using Multiple Intelligences To Set Goals](#) - Launa Ellison. In *Educational Leadership*, Volume 50 Number 2 October 1992
(<http://www.ascd.org/readingroom/edlead/9210/ellison.html>). Gardner's theory that we are intelligent in seven ways helps an elementary school meet students' diverse needs.

10. [Telling Parents About MI](http://www.ascd.org/readingroom/classlead/9709/class9c.html) - Arlene Desombre. *ASCD Classroom Leadership Online*, Vol. 1, Number 1 September 1997 (<http://www.ascd.org/readingroom/classlead/9709/class9c.html>). Provides a list of ways to help family members learn about and appreciate our multiple intelligences
11. [And the Survey Says... How Teachers Use the Theory of Multiple Intelligences](http://www.ascd.org/readingroom/classlead/9709/class9a.html) - Aostre Johnson and Susan Kuntz. *ASCD Classroom Leadership Online*, Vol. 1, Number 1 September 1997. (<http://www.ascd.org/readingroom/classlead/9709/class9a.html>). "As graduate educators of practicing K-12 teachers, we were curious about what happens when educators returned to their schools after learning about the theory of multiple intelligences in college courses, institutes, or workshops. We decided to survey educators who had studied the theory at our college to see if understanding multiple intelligences theory actually changed their practice and, if so, in what ways."
12. [September 1997 Educational Leadership Abstracts](http://www.ascd.org/readingroom/edlead/abstracts/sept97.html) (<http://www.ascd.org/readingroom/edlead/abstracts/sept97.html>). The September 1997 issue of *Educational Leadership* was on Multiple Intelligences. This article provides abstracts on each of the articles.
13. [Tutorial on Multiple Intelligences](http://www.ascd.org/frametutorials.html) - ASCD (<http://www.ascd.org/frametutorials.html>).
14. [Multiple Intelligences and Student Achievement Success Stories from Six Schools](http://www.ascd.org/frametutorials.html) - Linda Campbell and Bruce Campbell (<http://www.ascd.org/frametutorials.html>)
15. [Multiple Intelligence Success Stories](http://www.zephyrpress.com/contest.htm) (<http://www.zephyrpress.com/contest.htm>). Zephyrpress held a contest requesting people to share their successes using multiple intelligences theory in their classrooms. They asked: * How MI has changed your teaching approaches. * How you have validated the intelligences in your classroom and In staff training. * How MI has changed the way you've looked at your students. * What impact MI has had on your students. This article shares the winners' stories.
16. [Multiple Intelligence Key](http://www.athena.ivv.nasa.gov/curric/weather/adptcty/multint.html) - Kathleen Terry and Martine Wayman (<http://www.athena.ivv.nasa.gov/curric/weather/adptcty/multint.html>). Provides a table describing each of the intelligences.
17. [Application of Multiple Intelligences Research in Alternative Assessment](http://www.ncbe.gwu.edu/ncbepubs/symposia/second/vol1/application.html) - Joseph Walters, Harvard University. (<http://www.ncbe.gwu.edu/ncbepubs/symposia/second/vol1/application.html>)
18. [The Multiple Intelligences: Classroom Strategies](http://www.scbe.on.ca/mit/milist.htm) - The Simcoe County Board of Education, 1996 (<http://www.scbe.on.ca/mit/milist.htm>). Provides a checklist for teachers regarding lesson balance.
19. [Multiple Intelligences Overview](http://www.multi-intell.com/) (<http://www.multi-intell.com/>). Overview of the theory of multiple intelligences. Provides link to section on each intelligence, with exercises for exploring the intelligence in yourself, lesson ideas across subjects for teaching using each intelligence, and links to other sites.
20. [Multiple Intelligences - Multiple Approaches](http://www.teachersworkshop.com/twshop/georg.html) - Miriam Georg (<http://www.teachersworkshop.com/twshop/georg.html>). Overview of teachers' workshop. Useful graphics for planning lessons.
21. [Multiple Intelligences Survey](http://www.familyeducation.com/article/0,1120,4-3201,00.html) - Diana Bohmer (<http://www.familyeducation.com/article/0,1120,4-3201,00.html>). Written for parents, this article

lists a series of questions for each intelligence to help parents identify their children's intelligences.

22. [Lesson Unit Planning with Multiple Intelligences](#)

(<http://www.chapman.edu/soe/faculty/piper/milesson.htm>). Provides a template for planning a lesson using multiple intelligences.
