Principal's Implementation Checklist

Taking the "Dense" Out of Density (Grades 2-6)

Course Objectives:

Participants will gain awareness level knowledge about:

1. the nature of the science topic of "density"
2. an effective process for teaching difficult science concepts
3. hands on activities for teaching difficult science concepts

During a classroom "walkthrough" observation, the school principal can use the following checklist to note activities and strategies taught in the course and implemented in the classroom.

Teacher:	Date:	School:			
	Degree of Implementation				
Strategies	***1 (low)***	***2***	***3***	***4***	***5 (high)***
Hands-on activities involving students in exploring concepts					
Use of models to demonstrate concepts					
Oral give and take					
Student questioning					
Clearly defined content					
Use of graphs, charts & diagrams					
Use of timely assessments					
Students wrapping up the content
