Dear Prospective Conference Partner:

The Panhandle Area Educational Consortium, in conjunction with the FloridaLearns Foundation, invites you to take advantage of this annual occasion to be in the spotlight as a conference partner at the **56th Annual PAEC and FloridaLearns Foundation Leadership Conference** to be held July 18th-20th, 2023 at Dunlap Champion's Club on the Florida State University Campus in Tallahassee, Florida. This is an outstanding opportunity to meet, network, and share your products with education decision-makers, as over 300 district and school-based leaders from Florida's panhandle and throughout the state are expected to join us for this event!

Panhandle Area Educational Consortium, Florida's *first* educational consortium, has been recognized as a leader in providing a broad range of services to meet the needs of schools in small, rural districts since its initial organization in 1967. The consortium serves a wide variety of educational personnel including administrators, teachers, paraprofessionals, and auxiliary personnel, as well as students, parents, and community members. Today, services include professional development delivery and support, risk management, migrant education support, diagnostic and instructional support, virtual education services, and data management, just to name a few. We are also home to the Florida Buy State Cooperative Purchasing program which helps school districts comply with state purchasing laws and provides a cost-free, state-of-the-art online e-commerce shopping platform, saving districts time and money. Florida Buy is the only legislatively approved alternative to the Florida Department of Management Services (DMS) contracts.

Enclosed you will find information detailing options for registration as a conference partner. You may also visit <https://www.paec.org/leadershipconference2023/> for additional information. In order to receive the full benefits of your sponsorship, we strongly encourage you to submit your registration information by **June 15, 2023**.
