Florida Statutes, states:

“Public high school student report cards for grades 11 and 12 must contain a disclosure that the Grade Point Average (GPA) calculated for purposes of the Florida Bright Futures Scholarship Program may differ from the GPA on the report card.”

# Grade Point Average

Evaluation for Bright Futures includes an unrounded, weighted high school Grade Point Average (GPA) (calculated to two decimal places) in the 16 college-preparatory credits.

The following courses are weighted .25 per semester course or .50 per year course in calculation of the GPA:

- Honors;
- Dual Enrollment;
- Advanced Placement (AP);
- Pre-International Baccalaureate (Pre-IB);
- International Baccalaureate (IB);
- Pre-Advance International Certificate of Education (Pre-AICE); and
- Advance International Certificate of Education (AICE).

## College Entrance Exams (ACT®/CLT®/SAT®)

Students must meet the requirements outlined in statute for either the ACT®, CLT®, or SAT®.

Per s. 1009.531(6)(c), Florida Statutes, the department shall develop a method for determining the required examination scores which incorporates all of the following:

- b) FMS scholars – 75<sup>th</sup> national percentile
- c) Scores must be concordant between ACT®, CLT®, and SAT®
- d) Publish scores for the rising junior class each year.

# College Entrance Exams (ACT®/CLT®/SAT®)

Students will be evaluated based on official test scores from the Florida Department of Education (FDOE) repository. To ensure OSFA obtains official test scores:

- Ensure demographics on test registration and high school transcript match; and
- Request official single-sitting test scores (not super scores) be sent to one of Florida's (12) state universities or 28 state Colleges when registering for the ACT®, CLT®, or SAT®, even if the student plans to attend an institution which is not a state university. Students can request single sitting ACT® or CLT® test scores be sent directly to Bright Futures using CEEB code 0095.

## Volunteer Service/Work Hours

- Each district school board and the administrators of a nonpublic school must establish approved activities and the process for documentation of volunteer service hours, and paid work hours, including the deadline by which they must be completed. Students must earn either the required volunteer service, paid work hours, or the combination of 100 total hours.
- Total volunteer service/paid work hours completed must be reflected on student transcript submission to OSFA.
