

Northwest Florida Regional Science Olympiad Tournament Schedule

Room	8:30–9:30		9:40–10:40		10:50–11:50		12:00–1:00		
Room 1	Crime Busters Investigation	Transition 9:30–9:40	Crime Busters Investigation	Transition 10:40–10:50	Remote Sensing	Transition 11:50–12:00	Anatomy & Physiology	Teambuilding 1:00 – 1:30	AWARDS CEREMONY 1:30 – 2:30
Room 2	Heredity		Meteorology		Botany		Botany		
Room 3	Write It Do It Lab		Write It Do It Lab		Disease Detectives		Disease Detectives		
Room 4	Circuit Lab		Circuit Lab		Dynamic Planet		Dynamic Planet		
Room 5	Water Quality PP+Lab		Water Quality PP+Lab		Code Busters		Code Busters		
Room 6	Scrambler Prior Build		Scrambler Prior Build		Solar System		Rocks & Minerals		
Room 8 (Outside)	Gliders Prior Build		Gliders Prior Build		Ping Pong Parachute Prior Build		Ping Pong Parachute Prior Build		

Lunch Schedule

Lunch A	11:00 – 11:50	Students without a scheduled competition from 10:50–11:50 will be assigned to Lunch A.
Lunch B	12:00–12:50	Students without a scheduled competition from 12:00 – 1:00 will be assigned to Lunch B.
* Please note that Remote Sensing, Anatomy & Physiology, Solar System, and Rocks & Minerals are single-session competitions and are not offered twice. When creating student schedules, we ask that teams avoid assigning the same students to each of these events. Doing so will help ensure that every participant has adequate time for lunch.		

Please note that this schedule is subject to change based on team registration numbers. To ensure comprehensive participation across all events, we highly recommend assigning different students to different competitions during each time block. Ideally, a different student should participate in each competition within a given event session, allowing teams to maximize involvement and coverage throughout the day.
